

# Student Information System Terminology

## Banner 8

### Self Service Banner

Students, Faculty, and Advisors had access to SSB via my.dtcc.edu

SSB

SIS

## Banner 9

### Student Information System

Students, Faculty, and Advisors will have access via my.dtcc.edu

SSB

SIS

### Faculty Services

Faculty and Advisors had access to it via my.dtcc.edu. Used it for advising and class maintenance

### Faculty Dashboard

Faculty and Advisors will have access to student advising and class maintenance from a mobile friendly dashboard on my.dtcc.edu

## New Terms on SIS

### Class Maintenance

Faculty will have access grade entry, roster etc from the faculty dashboard.

### Grading Status

Faculty and Department Chairs can visually see the grading status on each section at a single glance.

### Export Template

Faculty can export the grades to a excel spreadsheet..

### Rolled

Faculty and Department chairs can see if the final grades are rolled to history.

### Import Grades

Faculty can import grades from an excel spreadsheet.

### Buzz Card

when you hover over the student's name on the roster you can view their picture, major and contact email with a link to their student profile.
